Re: Dennis E. Hecker
BKY No. 09-50779

Dear Judge Kressel:

I am writing this letter, on behalf of myself and Randall L. Seaver, the Chapter 7 trustee in this case, in response to the document mailed to you by Dennis E. Hecker and filed with the Court on January 24, 2011.

Both the Trustee and I have read that document. Neither the Trustee nor I are able to adequately discern from that document the details of the Debtor's accusations in a manner sufficient to actually respond to the same. However, we thought it necessary to file this letter to state clearly and unequivocally that any allegations by the Debtor that either the Trustee or I "misled" or "lied" to the Court are false. Further, to the extent that the Debtor's letter could be construed as requesting any sort of relief, the Trustee opposes the request.

The Trustee believes that a simple review of this Court's docket, coupled with a similar review of the criminal proceedings, evidences that the Debtor has engaged in a long-standing and, apparently, unrelenting course of dishonesty. Even if the Debtor's letter was intelligible, the Debtor's allegations should be viewed in that context.

Very truly yours,

LEONARD, O'BRIEN
